

McBean Regional Transit Center and Park and Ride

NOW OPEN!

In November 2013, the City of Santa Clarita opened the McBean Park and Ride facility, adjacent to the McBean Regional Transit Center at the corner of McBean Parkway and Valencia Boulevard. The facility's 282 spaces and central location have addressed the growing need for transit parking on the west side of the City. Having a convenient, safe and legal place to park is critical and makes connecting to popular local and regional destinations simple.
